PROPERTY DESCRIPTION

WOW, Great Price Reduction On This

Contemporary Ranch Full Of Upgrades!

Tucked away on a quiet street in one of Taylor ranch's desirable new neighborhoods, Rancho Encantado, this D.R. Horton home is all one expects and more! This convenient location provides easy access to schools, shopping churches, parks, entertainment and major roads. And just a stroll away from the petroglyphs and hiking & biking trails. Offering a fully landscaped lot with park like yards both front and rear makes for a safe place for the kids to play.

Has All The I Wants!

This [open plan ranch](#) is equally suited to entertaining or just enjoying a quiet cup of morning coffee. It's free-flowing traffic pattern and connected open living areas accommodate both the formal times of your life and just those quiet family evenings around a warm fire.

Recipe for success: Efficient modern style plus inviting warmth in this large kitchen with room all. There is a kitchen island for those impromptu meals or buffet service and it adjoins the family room sharing the ceramic log fireplace and keeping the cook always part of the "goings on".

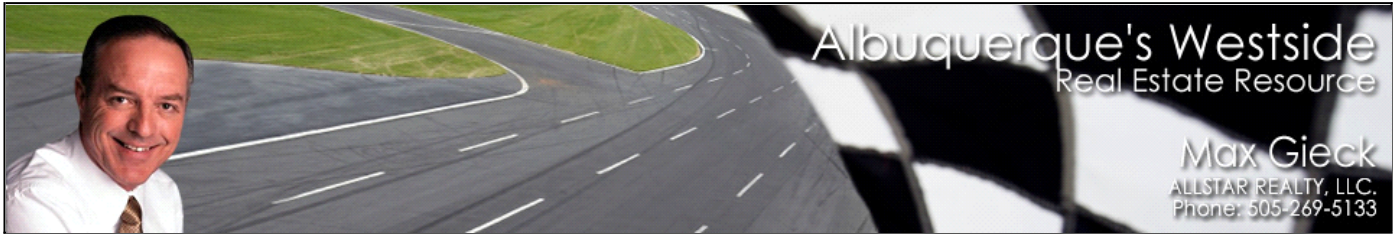

Master suite retreat! Double sinks promote harmony in the bath, large enough for two to begin the day and enhanced by the jetted tub and separate shower and enormous walk-in closed.

There is a grand piano living room and a rear family room with fireplace that opens onto the covered patio to expand leisure activities to the out-of doors.
